ACS Minutes
November 7th, 2006

Boy Scouts
Sorry guys we’re not doing it this semester. The troop we wanted to do the demos with only had a few people interested and we thought it would be better to focus on something more valuable to our time.

Treasury
We have successfully reallocated funds from speakers to community outreach. This is good! We have more money to use for community outreach which is what we do most anyways.

Blood Drive - November 20th
We are going to be co-sponsoring a blood drive with Tri Beta (the biology honor society). On Wednesdays and Fridays from this week forth we will be sitting at tables in the CSC to sign up people. This will be from 11 am to 1 pm. We need at least 30 people to sign up to donate blood! Each pint of blood saves 3 lives! The donation will take place the Monday before thanksgiving (November 20th). One person is needed to help set up and sit at the donation table on that day from 9 am to 3 pm. There will be shifts. The room will be CSC conference room I.

Stocking/Toy Drive
We will be doing stocking and toy drive collection for the safe hour in Macon (for battered women/children). More information will be gathered and sent out.

Girl Scouts
Next semester we would like to do some work with the girl scouts. We would like to do demos for them as well so they can earn some merit badges. We will do the same as with the boy scouts, probably on the same day.

Science Fair Judges
NEEDED! Please sign up outside of Dr. Bokros’ office on the biology floor. The judging will take place December 4th. Juniors and seniors are preferred, as long as you are taking a science class!

New ACS Secretary
NEEDED! Aditi is leaving for Australia next semester so we want to know who is interested in taking her position. Please email her at Aditi.Mukesh.Desai@student.mercer.edu for more information!
